Students of New Bern High School are proud of the school and of the school spirit. The school seal, Bruno—all signify part of the school spirit. Remember to stand whenever the school seal is sung; avoid stepping on the school seal in the school grounds. In these ways you exhibit your pride for your school and yourself.

Students are requested to stay out of the auditorium, and away from the front entrance areas are, at times; misused by a few students. These areas are not places for social gatherings for students. The entrance to the auditorium should not be used unless the student has some duty to perform in the area. The entrance to the auditorium is the face of the school, and visitors to our school should not expect to find students using the entrance. Students are expected to use the entrance.

WE'RE THE FRESHMEN

Here we come
Up in High School
We get the funniest looks,
From every Senior we meet.

Hey Hey we're the Freshmen
And people say we monkey around,
But we're too busy swingin',
To put anybody down.

Hey Hey we're the Freshmen,
And you never know where we'll be found,
We're just tryin' to be friendly,
And worry every Senior around.

Here we come
Up in High School
So Seniors you better get ready,
Cause we're gonna get in your hair.

Signed,
Class of '73
